I wonder...
Does Benko
really look
that much
like me?

RUSH

I hope
we can
find her.

TLE

RUSH

Huh?

RUNS
BACK

RUNS
BACK

JUMPS

JUMPS

going

Shino?

Shino
returns?

What? No, I have no idea what you're saying. Please, come to translate?

SHOCK -
SHUUREEN

What's the matter?
Did you find him?

That
won't be
possible

Master
Takaya,

I sense a way to possibly shut it by attacking its spiritual life power. (Shino over-estimated and ended off too much of its energy, resulting in the more predicaments.)

I heard that Shino suffers from a sudden influx of power during the Full Moon.

Shino?

Shino

I can't
control
this.

Don't
worry
about
this.

Did you
figure it
out what
happened?

I've been
thinking
about how
Shino ended
up in his
current form.

Shiro
sure
has it
tough.

PLUFF

PLUFF

I mean,
he started
just about
suddenly
says he's
fine.

so I kinda
wonder if
it actually
bothers
him or
not.

PLUFF

Long story
short, Shiro's
not sleep-
ing in with
me until
his power
returns to
normal or
better...

Pardon
me,

That's why I
really admire
him, honestly.

I am
terribly
sorry to
interrupt
you while
you're
in the
middle of
Shiro's
personality.

It's
Shiro's-

I...
think that
part of Shiro
is something
unique Shiro
doesn't neces-
sarily have.

I suppose
that only
makes us
worry about
him more,
though.

and some-
how, you
can't help
but feel
happy too.

We always
want, and
thrive,
regardless
of who he's
with.

...and

There's always
something or another
going on.

But we
have
fun
every
day!

I'm quite
envious of
this.

RSSH

Everyone...

Father, I remember
how you told me to
go find my
own strength.

I've been
looking for
it this entire
time,

I think it's
thanks to
all the
people,
but it's a
lot of fuo
living
here.

I was
kinda sur-
prised. I
wonder if
others can
tell, but not
me.

A friend
once told
me I was
strong.

But I
just
can't
seem to
think of
anything.

It's some-
thing you
can't find
all on your
own.

Maybe...

Maybe...

...or,

I know
that all I
can see is
other
people's
strengths.

Dad'd
switch me
with his tail
if I want
him this.

I'll
rewrite
it.

Finding
your
strengths
is hard...

By your-
self...

I think.

Da... You
said you
needed to
talk to
me?

I'd like to
visit the
spirit world.

Well,

Dr. Colquhoun

WHAT

Heaving about is
fine, you're not
living, but I'd really
better start think-
ing about going
somewhere!

Um...
That's...

And, Col
that's end,

Minami,

I have a new
mission for
you.

to be
continued--
